

WHEREAS, the Colorado Healthcare Information and Management Systems Society (CHIMSS) represents more than 1,200 Coloradans who are dedicated to improving healthcare for all and working to support making Colorado the healthiest state in the nation; and

WHEREAS, the 9th Annual Colorado Healthcare Information Technology Day will be held today at the Colorado State Capitol Building in Denver; and

WHEREAS, Healthcare Information Technology Day will bring more than 200 healthcare information technology (HIT) stakeholders from across our state to share knowledge and professional experiences with members of the Colorado General Assembly and the Governor's Cabinet on how information technology systems can be used to transform and spur innovations in healthcare for all Coloradans; and

WHEREAS, Coloradans are today encouraged to recognize and celebrate the commitment and service of the healthcare clinicians, health information technology experts and entrepreneurs, those who work in the state's healthcare provider institutions, payer organizations, the military and other branches of government, academic centers, and supplier and consulting companies;

Therefore, I, John W. Hickenlooper, Governor of the entire State of Colorado, do hereby proclaim, April 26, 2018, as

HEALTHCARE INFORMATION TECHNOLOGY DAY

in the State of Colorado.

GIVEN under my hand and the Executive Seal of the State of Colorado, this twenty-sixth day of April, 2018

John W. Hickenlooper
John W. Hickenlooper
Governor
